

The header of the Debian website features a navigation menu with links for 'About Debian', 'Getting Debian', 'Documentation', 'Support', and 'Developers' Corner'. A search bar is located in the top right corner. Below the navigation is a large banner with the Debian logo and the text 'The universal operating system'. A prominent green button in the top right of the banner says 'Download Debian 10.1 (64-bit PC Network installer)'.

Debian is a [free](#) operating system (OS) for your computer. An operating system is the set of basic programs and utilities that make your computer run.

Debian provides more than a pure OS: it comes with over 59000 [packages](#), precompiled software bundled up in a nice format for easy installation on your machine. [Read more...](#)
