It seems you get better and better with each video. Excellent job.

One thing I never expected to see in my lifetime is Stallman resigning (instead of retiring) from the Free Software Foundation.

<https://www.fsf.org/news/richard-m-stallman-resigns>

He also resigned from the MIT Computer Science & Artificial Intelligence Laboratory.

He just wrote on his website that he resigned.

[https://www.stallman.org/archives/2019-jul-oct.html#16\\_September\\_2019\\_\(Resignation\)](https://www.stallman.org/archives/2019-jul-oct.html#16_September_2019_(Resignation))

His email is on the home page. We should look for ways of supporting him.
